### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

The Shackelford Water Supply Corporation (SWSC) is a nonprofit water supply corporation created under and governed by Chapter 67 (Nonprofit Water Supply or Sewer Service Corporations), Water Code, for the purpose of providing retail water service in generally rural areas of Shackelford, Throckmorton, and Stephens counties.

SWSC is governed by an 11-member board of directors that is elected by the members of SWSC. The area served by SWSC is more particularly defined in the Certificate of Convenience and Necessity (CCN) No. 11637.

SWSC is interested in converting to a special utility district so that it may have the advantages of being a political subdivision of the state, including liability protections, ability to issue tax-exempt bonds for financing, and better insurance rates.

As proposed, S.B. 2010 creates and establishes the Fort Griffin Special Utility District and dissolves SWSC.
