**AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Currently the Guardianship Certification Board (board) is not authorized to access Department of Public Safety (DPS) records, which causes a problem in certifying professional guardians.

As proposed, S.B. 505 entitles the board to access DPS records for certain purposes, and requires that the information obtained by the board be destroyed after it is used for the authorized purposes.

**RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to any state officer, institution, or agency.

Prohibits the release or disclosure of the information to any person except on court order or with consent of the person who is the subject of the information. Requires the information to be destroyed after it is used for the authorized purposes.
