AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Currently, the state pays a \$35,000 supplement to each statutory county court at law judge. As proposed, S.B. 600 increases the compensation for statutory county court judges. This bill requires that a statutory county court judge make an amount that is not less than \$1,000 less than a district court judge and that the state pay 60 percent of that salary.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
