AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

C.S.S.J.R. 67 proposes a constitutional amendment to allow the legislature to authorize the Texas Transportation Commission to designate a transportation finance zone (TFZ) in an area defined by the general law that is adjacent to the right-of-way of an existing or proposed state highway, with legislative review and approval. This bill also requires the sales and use taxes collected within the boundaries of a TFZ to be deposited into a separate account in the Texas Mobility Fund (fund) to be used for the sole purpose of paying the principal of and interest on obligations connected with the state highway that is located in the TFZ. Finally, this bill authorizes the legislature to limit the amount of money the comptroller of public accounts is authorized to deposit to the credit of the fund in any state fiscal year under this subsection. The enabling legislation for this bill is S.B. 2051, 80th Legislature, Regular Session, 2007.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

Requires all proceeds from the taxes to which this subsection applies that are collected within the boundaries of a TFZ to be deposited to the credit of a separate account in the fund. Authorizes money collected within the boundaries of a TFZ and deposited to the credit of the fund under this subsection to be used only for the purpose of paying the principal of an interest on obligations issued under Subsection (d) of this section or a related credit agreement entered into under that subsection in connection with the state highway that is located in that TFZ.

Authorizes the legislature to limit the amount of money the comptroller of public accounts is authorized to deposit to the credit of the fund in any state fiscal year under this subsection.
