### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

The Texas Commission on Fire Protection (TCFP) is governed by Chapter 419 (Texas Commission on Fire Protection), Government Code. Currently, the law establishes TCFP as an independent agency responsible for certifying and regulating the paid fire protection service. Current law sets out the duties of the agency and its 13-member commission. TCFP ensures the protection of the public and fire fighters from the hazards of fire by establishing standards for certifying and equipping the paid fire service. To accomplish this mission, TCFP certifies fire service personnel and training providers; develops training materials; and enforces agency statute and rules by inspecting fire departments and investigating complaints. TCFP currently certifies about 36,600 paid personnel and about 190 training providers.

TCFP is subject to the Sunset Act and will be abolished on September 1, 2009, unless continued by the legislature. The Sunset Advisory Commission found that setting and enforcing standards for the training, certification, and equipping of the paid fire service is vital to protecting the safety of Texans, and that TCFP is well-positioned to provide this oversight role. However, Texas does not take full advantage of TCFP's expertise in working with the State Fire Marshal's Office to help minimize fire fighter injuries. The Sunset Advisory Commission also identified other areas of TCFP needing improvement, addressed in the legislation.

As proposed, S.B. 1011 enacts the recommendations of the Sunset Advisory Commission on TCFP.

### **RULEMAKING AUTHORITY**

Rulemaking authority is expressly granted to the Texas Commission on Fire Protection in SECTION 14 (Section 419.026, Government Code), SECTION 16 (Section 419.032, Government Code), SECTION 17 (Section 419.0325, Government Code), and SECTION 19 (Section 419.036, Government Code) of this bill.

Rulemaking authority previously granted Texas Commission on Fire Protection is modified in SECTION 8 (Section 419.0082, Government Code) and SECTION 24 (Sections 419.0082(b), (c), and (d), Government Code) of this bill.

### **SECTION BY SECTION ANALYSIS**

SECTION 1. Amends Section 419.003, Government Code, to provide that unless continued in existence as provided by Chapter 325 (Texas Sunset Act), the Texas Commission on Fire Protection (TCFP) is abolished and this chapter expires September 1, 2021, rather than September 1, 2009.

SECTION 2. Amends Section 419.004(e), Government Code, as follows:

(e) Provides that a person may not be, rather than a person is not eligible for appointment as, a public member of TCFP if the person or the person's spouse:

(1) is registered, certified, or licensed by a regulatory agency in the field of fire protection, rather than TCFP;

(2) is employed by or participates in the management of a business entity or other organization regulated by or receiving money from TCFP, rather than regulated by TCFP and receiving funds from TCFP;

(3) owns or controls, directly or indirectly, more than a 10 percent interest in a business entity or other organization regulated by or receiving money from TCFP, rather than own or controls, directly or indirectly, more than a 10 percent interest in a business entity or other organization regulated by TCFP or receiving funds from TCFP;

(4) uses or receives a substantial amount of tangible goods, services, or money, rather than funds, from TCFP, other than compensation or reimbursement authorized by law for TCFP membership attendance, or expenses; or

(5) is employed in the field of fire protection, rather is a member of a paid volunteer fire department.

SECTION 3. Amends Sections 419.005(a) and (c), Government Code, as follows:

(a) Provides that it is a ground for removal from TCFP that, rather than if, a member:

(1) does not have at the time of taking office, rather than appointment, the qualifications required by Section 419.004 (Composition of Commission);

(2) does not maintain during service on TCFP the qualifications required by Section 419.004;

(3) is ineligible for membership under, rather than violates a prohibition established by, Section 419.006;

(4) cannot, because of illness or disability, discharge the member's duties for a substantial part of the member's term, rather than for which the member is appointed because of illness or disability; or

(5) is absent from more than half of the regularly scheduled TCFP meetings that the member is eligible to attend during a calendar year without an excuse approved, rather than unless the absence is excused, by majority vote of TCFP.

(c) Requires the executive director of TCFP (executive director), if the executive director has knowledge that a potential ground for removal exists, to notify the presiding officer of TCFP of the potential ground. Requires the executive director, if the potential ground for removal involves the presiding officer, to notify the next highest ranking officer of TCFP, who is required to then notify the governor and the attorney general that a potential ground for removal exists.

Deletes existing text of Subsection (b) prohibiting a person who is the spouse of an office manager, or paid consultant of a Texas trade association in the field of fire protection from being a member of TCFP or an employee of TCFP who is exempt from the state's position classification plan or is compensated at or above the amount prescribed by the General Appropriations Act for step 1, salary group 17, of the position classification salary schedule.

(b) Prohibits a person from being a member of TCFP and and being a TCFP employee employed in a "bona fide executive, administrative, or professional capacity," as that phrase is used for purposes of establishing an exemption to the overtime provisions of the federal Fair Labor Standards Act of 1938 (29 U.S.C. Section 201 et seq.), if the person is an officer, employee, or paid consultant of a Texas trade association in the field of fire protection or the person's spouse is an officer, manager, or paid consultant of a Texas trade association in the field of fire protection.

(c) Redesignates Subsection (d) as Subsection (c). Prohibits a person from being, rather than serving as, a member of TCFP or acting as the general counsel to TCFP or the agency if the person is required to register as a lobbyist under Chapter 305 (Registration of Lobbyists), because of the person's activities for compensation on behalf of a profession related to the operation of TCFP.

SECTION 5. Amends Section 419.007(a), Government Code, to require the governor to designate a member of TCFP as the presiding officer of TCFP to serve in that capacity at the pleasure of the governor. Deletes existing text providing that the fire protection instructor appointed under Section 419.004(a)(6) (relating to the composition of TCFP to include one fire protection instructor from an institution of higher education) serves as the presiding officer of TCFP unless the governor designates another member as presiding officer.

(a) Prohibits a person who is appointed to and qualifies for office as a member of TCFP from voting, deliberating, or being counted as a member in attendance at a meeting of TCFP until the person completes a training program that complies with this section. Deletes existing text requiring that a person, to be eligible to take office as a member of TCFP, complete at least one course of a training program that complies with this section.

(b) Requires that the training program provide the person with information regarding certain information relating to TCFP. Deletes existing text requiring that the training program provide certain information.

(c) Entitles a person appointed to TCFP to reimbursement, as provided by the General Appropriations Act, for the travel expenses incurred in attending the training program regardless of whether the attendance at the program occurs before or after the person qualifies for office. Deletes existing text entitling a person appointed to TCFP to reimbursement for travel expenses incurred in attending the training program, as provided by the General Appropriations Act and as if the person were a member of TCFP.

SECTION 7. Amends Section 419.008(c), Government Code, to delete existing text requiring TCFP to perform duties assigned by law to the Fire Department Emergency Board.

SECTION 8. Amends Section 419.0082(a), Government Code, to authorize, rather than require, TCFP, in adopting or amending a rule under Section 419.008(a) (relating to authorizing TCFP to adopt rules for its internal management and control and for the administration of its powers and duties) or any other law, to seek the input of the fire fighter advisory committee (advisory committee) and authorizes TCFP to request the advisory committee to review and comment on any proposed rule, including a proposed amendment to a rule, before the rule is adopted. Deletes existing text requiring TCFP, in adopting or amending a rule under Section 419.008(a) or any other law, to seek the input when appropriate of the funds allocation advisory committee. Deletes existing text requiring TCFP to permit the appropriate advisory committee to review and comment on any proposed rule, including a proposed amendment to a rule, before the rule is adopted.

SECTION 9. Amends Subchapter A, Chapter 419, Government Code, by adding Section 419.0083, as follows:

Sec. 419.0083. NEGOTIATED RULEMAKING; ALTERNATIVE DISPUTE RESOLUTION. (a) Requires TCFP to develop and implement a policy to encourage the use of negotiated rulemaking procedures under Chapter 2008 (Negotiated Rulemaking) for the adoption of TCFP rules and appropriate alternative dispute resolution procedures under Chapter 2009 (Alternative Dispute Resolution for Use by Governmental Bodies) to assist in the resolution of internal and external disputes under TCFP's jurisdiction.

(b) Requires that TCFP's procedures relating to alternative dispute resolution conform, to the extent possible, to any model guidelines issued by the State Office of Administrative Hearings (SOAH) for the use of alternative dispute resolution by state agencies.

(c) Requires TCFP to designate a trained person to coordinate the implementation of the policy adopted under Subsection (a), serve as a resource for any training needed to implement the procedures for negotiated rulemaking or alternative dispute resolution, and collect data concerning the effectiveness of those procedures, as implemented by TCFP.

SECTION 10. Amends Section 419.009(c), Government Code, to require TCFP to develop and implement policies that clearly separate the policy-making responsibilities, rather than define the respective responsibilities, of TCFP and the management responsibilities of the executive director and the staff of TCFP.

SECTION 11. Amends Section 419.011, Government Code, as follows:

Sec. 419.011. New heading: COMPLAINTS. (a) Requires TCFP to maintain a system to promptly and efficiently act on complaints filed with TCFP. (c) Creates this subsection from existing text. Requires TCFP to periodically notify the complaint parties of the status of the complaint until final disposition, rather than requiring TCFP, at least quarterly and until final disposition of the complaint, to periodically notify the person filing the complaint and the persons or entities complained about of the status of the complaint unless the notice would jeopardize an undercover investigation. Deletes existing text of Subsection (c) requiring TCFP to keep information about each complaint filed with TCFP including the date the complaint is received, the name of the complaint, subject matter of the complaint, a record of all persons contacted in relation to the complaint, a summary of the results of the review or investigation of the complaint, and for complaints for which the agency took no action, an explanation of the reason the complaint was closed without action. Deletes existing text of Subsection (d) requiring TCFP to comply with federal and state laws related to program and facility accessibility, and requiring the executive director to also prepare and maintain a written plan that describes how a person who does not speak English can be provided reasonable access to TCFP's programs.

SECTION 12. Amends Subchapter A, Chapter 419, Government Code, by adding Section 419.012, as follows:

Sec. 419.012. **TECHNOLOGICAL SOLUTIONS.** Requires TCFP to implement a policy requiring TCFP to use appropriate technological solutions to improve TCFP's ability to perform its functions. Requires that the policy ensure that the public is able to interact with TCFP on the Internet.

SECTION 13. Amends Section 419.023(e), Government Code to require the fire fighter advisory committee (committee) on request by TCFP to review, rather than the committee to periodically review, TCFP rules relating to fire fighting organizations that are subject to regulation under this subchapter and recommend changes in the rules to TCFP.

SECTION 14. Amends Section 419.026(a), Government Code, to require TCFP to set and collect a fee, rather than a fee of not more than \$35, for each certificate that TCFP issues or renews under this subchapter except that if a person holds more than one certificate TCFP is authorized to collect only one fee each year for the renewal of those certificates. Requires TCFP by rule to set the amount of the fee under this subsection in an amount designed to recover TCFP's costs in connection with issuing certificates under this subchapter, including the cost to TCFP of obtaining fingerprint-based criminal history record information under Section 419.0325. Requires the employing agency or entity to pay the fee in the manner prescribed, rather than to pay this fee as provided, by TCFP rule.

Sec. 419.027. **BIENNIAL INSPECTIONS.** (a) Creates this subsection from existing text.

(b) Authorizes TCFP to conduct risk-based inspections of institutions and facilities in addition to the inspections under Subsection (a) (relating to requiring TCFP to biennially visit and conduct inspections of fire training protection personnel, recruits, fire departments, and related agencies). SECTION 16. Amends Sections 419.032(a) and (d), Government Code, as follows:

(a) Prohibits a fire department from appointing a person to the fire department, except on a temporary or probationary basis, unless TCFP has approved the person's fingerprint-based criminal history record information under Section 419.0325. Makes nonsubstantive changes.

(d) Requires TCFP to adopt rules relating to presentation of evidence of satisfactory completion of a program or course of instruction in another jurisdiction equivalent in content and quality to that required by TCFP for approved fire protection education and training programs in this state and issue to a person meeting the rules and the requirements of Section 419.0325 a certificate evidencing satisfaction of Subsections (a) and (b). Deletes existing text authorizing a fire department or other employing entity to renew an unexpired certification by paying to TCFP before the expiration date of the certificate the required renewal fee.

(b) Authorizes the fire department or other employing agency, if a person's certificate has been expired for 30 days or less, to renew the certificate by submitting evidence satisfactory to TCFP of completion of any required professional education. Makes a nonsubstantive change.
