### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Currently, Section 1602.051(a), Occupations Code, provides that the composition of the Advisory Board on Cosmetology (board), under the Texas Department of Licensing and Regulation, is one member who holds a license for a beauty shop that is part of a chain of beauty shops, one member who holds a license for a beauty shop that is not part of a chain of beauty shops, one member who holds a private beauty culture school license, and two members who each hold an operator license. There is not a voting member on the board who represents the interests of community colleges or high schools, which also offer cosmetology classes, or the public.

S.B. 1920 amends current law relating to the membership of the Advisory Board on Cosmetology.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

SECTION 3. Effective date: September 1, 2009.
