### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Currently, the Highway Memorial Sign Program administered by the Texas Department of Transportation (TxDOT) allows for only one name to be shown on an individual sign. Because of some situations a family unit is prohibited from sharing the same family or last name. A constituent of Senate District 22 tragically lost her daughter, her unborn grandchild, and her daughter's fiancé because of a drunk driver. Because only one family or last name can be present on the highway memorial sign, the constituent had to purchase multiple signs to memorialize her loved ones.

S.B. 521 amends current law relating to TxDOT's memorial sign program.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

### **SECTION BY SECTION ANALYSIS**

(c-1) Authorizes the sign to include the names of more than one victim so long as the total length of the names does not exceed one line of text.

SECTION 2. Effective date: September 1, 2009.
