AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

According to interested parties, disputes between property owners' associations and their members regarding whether a property owner is allowed to display a United States flag or certain other flags at the owner's residence indicate the need for state laws to provide clear guidance on the matter. H.B. 2779 addresses the issue by prohibiting a property owners' association from adopting or enforcing a dedicatory instrument provision that prohibits or otherwise restricts a property owner from displaying specified types of flags, with certain exceptions.

H.B. 2779 amends current law relating to provisions in the dedicatory instruments of property owners' associations regarding display of flags.
