AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Current law governing a defense base development authority is unclear about whether a local authority can sell, lease, or otherwise engage in financial transactions relative to real estate or property owned or controlled by the authority. H.B. 447 clarifies existing statutes by detailing the specific actions that a defense base development authority may take regarding the authority's holdings.

H.B. 447 amends current law relating to the powers of a defense base development authority.
