Committee Report (Substituted)

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The wages and resources of the benefactors of sponsored aliens are not always taken into account when determining eligibility for indigent health care. This causes those aliens to receive county-funded health care when their sponsors had the resource to pay for it instead.

The current law for the county indigent care program does not specify how the eligibility of sponsored aliens is to be considered. Because sponsored aliens are thought to be fundamentally different than other immigrants, this omission causes some confusion when determining eligibility for indigent health care.

This bill would clear up the ambiguity by stipulating that the county has the option to include the assets and income of the benefactor as well as the benefactor's spouse when determining eligibility for the sponsored alien. Therefore, those benefactors who promised to fulfill the immigrant's financial needs will do so and not take advantage of the indigent care system.

C.S.S.B. 420 amends current law relating to determining eligibility for indigent health care.

[**Note:** While the statutory reference in this bill is to the Texas Department of Health (TDH), the following amendments affect the Texas Department of State Health Services, as the successor agency to TDH.]
