AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Interested parties note that the comptroller of public accounts of the State of Texas currently contracts with a vendor to provide shipping coordination services to all state agencies. In order to provide for the lowest cost and best value, H.B. 1726 seeks to streamline shipping logistics and coordination services and to encourage the use of vendors that employ veterans or other persons with disabilities.

H.B. 1726 amends current law relating to shipping logistics and coordination services for state agencies.
