Committee Report (Substituted)

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Through passage of H.B. 2357, 82nd Legislature, Regular Session, 2011, the Texas Department of Motor Vehicles (TxDMV) was provided with the statutory authorization needed to more fully utilize technology, to accept modern forms of payment, and to move forward with modern processes by removing statutory language tied to outdated technology. H.B. 2357 standardized and moved definitions to one location within the Transportation Code in order to create uniformity. S.B. 1420, 82nd Legislature, Regular Session, 2011, was the Sunset bill for the Texas Department of Transportation (TxDOT) that moved the oversize/overweight permit function from TxDOT to TxDMV.

C.S.H.B. 2741 provides general clean-up language for the TxDMV. The bill replaces references and definitions in certain sections of the Transportation and Occupations Codes, and renumbers the statutes as necessary.

This bill amends certain sections of the Transportation Code to clarify language relating to a nonrepairable title, salvage vehicle title, and salvage record of title; require a county to submit funds by electronic funds transfer; and limit the penalty for late title transfer to \$250.

The bill also amends current law to provide that the governor may waive permits for motor carriers who are performing emergency assistance; to permit an individual who is wishing to transfer his vehicle to a dealer and has paid for more than one year of registration to be credited the remaining amounts of unused registration; to authorize the owner of a trailer with a gross vehicle weight of 4,000 pounds or less to apply for a title; and add TxDMV, as well as a county tax-assessor collector, to the governmental entities that may request a person's photographic image from the Department of Public Safety of the State of Texas.

C.S.H.B. 2741 amends current law relating to the regulation of motor vehicles by counties and the Texas Department of Motor Vehicles, authorizes a fee, and creates an offense.

SECTION 14. Amends Section 2301.358(a), Occupations Code, to prohibit a person who holds a license issued under this chapter from participating in a new motor vehicle show or exhibition unless the person provides TxDMV with written notice before the date the show or exhibition opens, rather than with written notice at least 30 days before the date the show or exhibition opens, and TxDMV grants written approval.

Sec. 2301.401. WARRANTY, PREPARATION, AND DELIVERY REQUIREMENTS.

SECTION 17. Amends Section 2301.461(a), Occupations Code, to provide that a franchised dealer's preparation, delivery, and warranty obligations, rather than warranty obligations as filed with the board, are the dealer's sole responsibility for product liability as between the dealer and a manufacturer or distributor.

(c) Prohibits the board or a person delegated power from the board under Section 2301.154 (Delegation of Powers), rather than prohibits the director, from issuing an order requiring a manufacturer, converter, or distributor to make a refund or to replace a motor vehicle unless the owner or a person on behalf of the owner has mailed written notice of the alleged defect or nonconformity to the manufacturer, converter, or distributor, and the manufacturer, converter, or distributor has been given an opportunity to cure the alleged defect or nonconformity.

(d) Requires TxDMV to maintain a toll-free telephone number to provide information to a person who requests information about a condition or defect that was the basis for repurchase or replacement by an order issued under this chapter, rather than requires the board to maintain a toll-free telephone number to provide information to a person who requests information about a condition or defect that was the basis for repurchase or replacement by an order of the director.
