AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

In November 2012, Bowie County residents (except those who resided in the college's original small taxing district) voted to annex all of Bowie County into the Texarkana College taxing district. Texarkana College now requests an amendment to Section 130.203 (Texarkana College District Service Area), Education Code, to reflect the expansion of the district to include all of Bowie County. In addition, current members of the Texarkana College board of trustees (board) want to ensure the newly annexed portions of Bowie County have a direct voice in the governance of the college. To enable the board to restructure, Texarkana College is requesting permission to reduce its governing board from nine places to seven places, align the structure of the board with the existing four county commissioner's districts, and add three at-large positions to the board structure. S.B. 1855 restructures the governing board of Texarkana College and updates the statute to reflect the expanded territory to include all of Bowie County.

As proposed, S.B. 1855 amends current law relating to the Texarkana College District.

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
