AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

There are currently seven members that serve on the Blinn Junior College District Board of Trustees. While Blinn College has four district campuses and its service areas include Burleson, Brazos, Madison, Grimes, Waller, and Washington counties, all seven members on the current Blinn board of trustees are from Washington County. The current board make-up has created a situation where Blinn's largest campus, which contributes millions of dollars in tuition-based revenue and has more than five times as many students as the next largest campus, has no representation.

H.B. 2621 adds to the Blinn Board of Trustees two members appointed by the commissioners court of each county with a branch campus of the district with a student enrollment of greater than 10,000. These new board members may participate in any of the board's decision-making processes except for those related to the imposition of taxes or the distribution of revenue related to the imposition of taxes.

H.B. 2621 amends current law relating to the board of trustees of the Blinn Junior College District.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
