AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Interested parties contend that certain land located in Williamson County but outside the corporate city limits of any city would benefit from being developed into single-family residential homes and supporting infrastructure. Such development will necessitate the establishment of water, sewer, drainage, and road services. H.B. 4179 seeks to address that issue.

H.B. 4179 amends current law relating to the creation of the Williamson County Municipal Utility District No. 32; grants a limited power of eminent domain; provides authority to issue bonds; and provides authority to impose assessments, fees, and taxes.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
