### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

C.S.H.B. 484 ensures that those seeking elected office are active participants in the electoral process by requiring a candidate to be registered to vote. The bill would create an exception to this requirement for an office for which the United States Constitution or the Texas Constitution prescribes exclusive qualification requirements.

C.S.H.B. 484 specifies a date by which a candidate for a public elective office in Texas had to be registered to vote in the territory from which the office was elected.

C.S.H.B. 484 takes effect September 1, 2015, and applies only to candidates or officers whose term of office begins on or after that date.

The substitute exempts certain special purpose districts such as municipal utility districts from this requirement.

C.S.H.B. 484 amends current law relating to the eligibility of a person to be a candidate for or holder of certain public elective offices.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
