### AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The portion of the Occupations Code that regulates the licensing of real estate agents and brokers is in need of clean-up to address and clarify issues pertaining to terminology, licensing, education, the recovery fund, Texas Real Estate Commission (TREC) promulgated contracts and forms, TREC members and employees, and TREC complaint, investigation, and enforcement procedure. Chapter 1101 of the Occupations Code pertains to the licensing of real estate agents and brokers.

S.B. 699 amends the Texas Real Estate Licensing Act (Chapter 1101, Occupations Code). The following contains a summary of the key proposed changes:

- **Terminology and definitions**
  - Updates terminology to make consistent with TREC practice.
  - Updates definitions to explicitly include “lease to purchase” and “short sale advisor” as requiring a license.
- **TREC Staff**
  - Allows TREC members and staff to make certain uncompensated presentations that could qualify for CE credit for license holders in attendance.
  - Provides TREC members with quasi-judicial immunity in certain circumstances.
- **Licensure**
  - Clarifies that an attorney-in-fact authorized under a power of attorney does not need to be licensed if conducting not more than three real estate transactions annually.
  - Keeps \$50 of professional fee paid by broker to fund the Real Estate Center at Texas A&M University.
  - Adds a two-year waiting period for reapplication after revocation, surrender, or denial of a license after the opportunity for a hearing.
  - Clarifies the meaning of “in good standing” to include key disciplinary matters
  - Provides that a current license term period is 24 months.
  - Identifies certain acts as not considered real estate brokerage activities.
- **Education**
  - Maintains an education review committee, but allows more flexibility in membership.
  - Requires legal and ethics continuing education update before renewal of first sales license.
  - Requires additional education if an applicant fails the examination three times.
  - Clarifies TREC’s ability to set continuing education requirements by rule, subject to a minimum requirement of 15 hours and limitations on the ability to increase hours by no more than three hours over a license term.
  - Expands legal and ethics continuing education course to include more content on promulgated contracts, and sets reporting restriction to match the continuing education hours claimed.

- **TREC Forms**
  - Allows TREC to determine text and delivery of consumer notice on representation options and duties, to include names and contact information for key persons at brokerage firm.
- **Recovery Fund**
  - Establishes connection between designated broker and brokerage firm for claims against the recovery fund.
  - Clarifies the process for contributions to, replenishment, or claims against, the recovery fund, and that timely payment is necessary to maintain a license.
  - Allows TREC to determine text and delivery of consumer notice on claims against the recovery fund.
- **TREC Complaint, Investigation, and Enforcement Procedure**
  - Allows TREC to determine text and delivery of consumer notice on complaint filing.
  - Allows agency's investigative files to remain confidential to avoid staff involvement in external litigation.
  - Updates certain procedures regarding a respondent's failure to appear at hearing and cost recovery.

S.B. 699 amends current law relating to the Texas Real Estate Commission and the regulation of certain real estate professionals.
