AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Chapter 151 (Regulation of Money Services Businesses) of the Finance Code applies to money services businesses (MSBs). Chapter 151 divides MSBs into two types: currency exchangers and money transmitters. Under Chapter 151, MSBs are regulated by the Texas Department of Banking.

The proposed changes to Chapter 151 primarily clarify and simplify existing provisions. New provisions would increase the security required of certain currency exchangers to better protect consumers, and would streamline the ability of law enforcement to prosecute crimes under Chapter 151.

As proposed, S.B. 899 amends current law relating to the regulation of money services businesses and affects the prosecution of a criminal offense.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
