AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

As with nearly any court proceeding, guardianship proceedings have a fee schedule. However, unlike many court proceedings, guardianships are unique due to their perpetual nature with additional fee requirements imposed in administering a guardianship. The current fee schedule of a guardianship proceeding generally consists of an initial filing fee, annual accountings and reports, and a filing fee if there is real property or personal property to be sold. S.B. 1559 waives these fees for guardianship proceedings involving certain individuals.

S.B. 1559 waives guardianship proceeding fees for those proceedings involving military, law enforcement, firefighters, and other first responders injured in the line of duty.

As proposed, S.B. 1559 amends current law relating to a fee exemption for guardianship proceedings of certain military servicemembers and certain law enforcement officers, firefighters, and other first responders.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
