### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

It has been suggested that granting a county assistance district the authority to provide a grant or loan to a political subdivision would help districts better serve their local communities by being able to provide assistance for mutually beneficial projects or for necessary projects for which a political subdivision may lack funding. H.B. 1174 seeks to provide a county assistance district with that authority.

H.B. 1174 amends current law relating to the authority of a county assistance district to provide a grant or loan.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
