SECTION 3. Amends Section 162.003, Election Code, to provide that a person becomes affiliated with a political party when the person returns an early voting or limited primary ballot by mail, rather than applies for and is provided an early voting or limited primary ballot to be voted by mail.

(b) Requires an election officer at a primary election polling place, subject to Subsection (a-1), to stamp the party's name in the party affiliation space of the registration certificate of each voter who presents the voter's registration certificate and is accepted to vote

Provides that, however, the petition is not considered part of the application for purposes of determining compliance with the requirements applicable to each document, and a deficiency in the requirements for one document is prohibited from being remedied by the contents of the other document. Provides that, unless the petition is challenged, the authority is only required to review the petition for facial compliance with the applicable requirements as to form, content, and procedure.
