### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

There have been calls for the state to do more to ensure that parents are engaged with their children, given that parents are often their child's first and best teachers. H.B. 507 seeks to answer these calls by establishing the task force on parent engagement and education programs to coordinate and make recommendations on parent engagement and evidence-based parent education programs provided by state agencies.

H.B. 507 amends current law relating to a task force to coordinate and make recommendations on parent engagement and education programs provided by state agencies.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
