AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Currently, the Election Code provides that early voting ballot board members are entitled to the same compensation as presiding election judges.

Interested parties contend that the work done by the presiding judge of a ballot board significantly exceeds that of a ballot board clerk. Accordingly, the presiding judge of the ballot board should have the opportunity to be compensated at a higher amount than the clerk.

S.B. 1418 amends the Election Code so that the presiding judge of the ballot board may be compensated at a higher rate than the other board members.

S.B. 1418 amends current law relating to the compensation of the presiding judge of an early ballot voting board.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
