AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The Castle Doctrine in Texas presumes that using force is reasonable and justified when another person:

- unlawfully and with force enters or attempts to enter your habitation, vehicle, or work place;
- attempts to remove you, by force, from your habitation, vehicle, or work place; or
- was committing or attempting to commit aggravated kidnapping, murder, sexual assault, aggravated sexual assault, robbery, or aggravated robbery.

In the context of self-defense, "habitation" means any structure or vehicle that is adapted for overnight living by a person. In the state of Texas, habitation can include a hotel room, which means that lawful gun owners should be allowed to store their handguns in their hotel room for protection.

S.B. 20 amends the Occupations Code to make it clear that hotels cannot adopt a policy prohibiting guests from storing a handgun or ammunition in a hotel room. Also, a hotel may adopt a policy requiring guests to conceal carry or to carry their handgun and ammunition in a case or bag when transporting from the parking lot to the hotel room.

Gun owners must have the proper permit to conceal or open carry their firearm on hotel property. Lastly, S.B. 20 amends the Penal Code to protect hotel guests from being prosecuted for possessing a handgun or ammunition in their vehicle or room on the hotel premises.

(Original Author's/Sponsor's Statement of Intent)

S.B. 20 amends current law relating to carrying and storing a handgun or handgun ammunition by a hotel guest.
