### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Continuing development and growth in Central Texas, including Travis County, has created the need for large-scale, permanent improvements such as water supply and distribution facilities, wastewater collection and treatment facilities, drainage and flood control projects, and roadway improvements. Article XVI, Section 59, and Article III, Section 52, of the Texas Constitution provide for the creation of local governmental districts that are authorized to incur indebtedness to provide such permanent improvements, levy taxes for the maintenance and operation of such improvements and, repay on indebtedness.

S.B. 2214 would create the Moore's Crossing Municipal Management District (district). The district would include approximately 222.44 acres in Travis County. Along with powers authorized by Chapters 49, Water Code, and Chapter 375, Local Government Code, S.B. 2214 provides for road powers pursuant to Article III, Section 52, of the Texas Constitution. S.B. 2214 would also provide authority to issue bonds.

As proposed, S.B. 2214 amends current law relating to the creation of the Moore's Crossing Municipal Management District; provides authority to issue bonds; and provides authority to impose assessments, fees, and taxes.

### **RULEMAKING AUTHORITY**
