### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

In most cases, counties are required to deposit county funds in a bank within the county. In rural Texas there are many counties that only have one bank in the whole county and sometimes the single bank is not interested in being the county bank. This bill would allow counties to deposit county funds in a bank outside the county.

As proposed, S.B. 158 amends current law relating to the location of a bank eligible to be selected as a depository or subdepository of county public money, including money held by a county or district clerk.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
