AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

In 2022, the Caldwell County Commissioners Court created the Open R Fresh Water Supply District (FWSD). At the time, Caldwell County believed an FWSD best suited the area. Now, after additional land was added to the district, the Caldwell County Commissioners Court believes that providing municipal utility district (MUD) powers to the district would improve services and oversight by the county. Accordingly, S.B. 2576 would add MUD powers to the Open R Fresh Water Supply District.

S.B. 2576 amends current law relating to the Open R Fresh Water Supply District of Caldwell County, grants a limited power of eminent domain, provides authority to issue bonds, and provides authority to impose assessments, fees, and taxes.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
