AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The Texas State Musician is an award given to Texan artists annually by nomination. The State Musician Committee chooses a one-year appointment from the Texas Commission on the Arts (TCA) submitted list of finalists. Although the TCA nominated numerous classical musicians for designation as the Texas state musician in the past, including many with global recognition, it has been difficult for classical musicians to compete with the likes of Willie Nelson, Lyle Lovett, and George Strait.

S.B. 281 would establish two distinct designations for Texas state musicians: classical and nonclassical. This change would allow Texan classical musicians to be recognized as Texas state musicians regularly and promote their outstanding work.

S.B. 281 amends current law relating to the designation of state musicians for classical and nonclassical genres.
